NW OHIO PROPANE (NWOP) PRICE CAP PRICING PROGRAM AGREEMENT

This program allows customers to lock in a per gallon price for their supply of propane purchased and delivered during the annual heating season.

- Participation in this program is only available with an approved credit application.
- Customers who are currently leasing a tank from NWOP are automatically enrolled in the Price Cap Pricing Program and do not need to complete this agreement form.
- Customers who own their own tank, and choose the Will-Call Delivery Program option, will be charged a one-time fee of \$100, due upon acceptance of this agreement. **This fee will be waived for any customer that enrolls in the Auto-Fill Delivery Program option.**
- A new Price Cap Pricing Program Agreement must be signed and submitted each calendar year.
- The signed agreement must be received by NWOP by the end of business on **September 30**.
- The Price Cap Pricing Program per gallon rate shown below is **valid from October 1 through April 30** for all propane purchased and delivered to the account and location entered below.
- A 200-gallon minimum per delivery is required for Will-Call Delivery customers.
- Payment of delivered propane is due within 30 days of the delivery. If the payment is not received within 30 days, this Price Cap Pricing Program Agreement will be terminated and all additional gallons delivered to the account and location entered below will be charged at the current price rate.
